Parent Authorization form for over –the-counter medications

Camper's Name _____ age _____

During your child's summer camp experience, a need may arise for him to receive certain over-the-counter medications. These medications would be administered by a registered nurse or trained designee, and the dosage would be as suggested by the manufacturer. Camp Sangamon has a Health Protocol and Procedure Handbook, which describes appropriate action in the event of illness and/or injury. This book is reviewed annually by camp's associated physician, and is available for your review.

Please read the statement below and indicate if there are any medications you DO NOT want your child to receive.

I _____, acknowledge and give permission for my child to receive over the counter medications based upon the Camp Sangamon Protocol and Procedure Handbook.

I have indicated below those medications I DO NOT want him to receive.
