REFUNDS AND CANCELLATIONS – for 2022 only

We plan to come together as a community once again in 2022, yet we are also aware that the state of things continues to be uncertain. If national, state, ACA, local officials, or we as directors determine camp cannot safely open for all or some portion of the summer, any deposits and tuition payments made toward this summer will be fully refundable. With an eye toward the future, we will again ask all registered families to consider rolling payments and deposits forward to 2023 if they are able. If camp is open but your family elects to withdraw your son at any point after March 15th and before May 1st, all payments made beyond the deposit will be returned. Any cancellations made after May 1st will receive no refunds.
