Supplemental Information

We appreciate your providing the following information:

Please indicate here or with attached letter, any special needs or other information with which we should be familiar. Please write any significant information, even if you have talked with us extensively about your son. We need the information in writing. *A difficult year in school, recent changes in family structure can be useful background knowledge, and will be shared with staff "as needed" by the directors. Complicated health care issues should be noted on a separate sheet and included.*

Camp Sangamon encourages swimming instruction, but lessons are not required. We will send a swimming "contract" for you and your son to agree on the number of lessons he will attend each week. (comment?)

Cabin Group Requests: **We generally house boys by grade level.** We will attempt to place friends together; please list no more than **TWO (2)** persons in your own age/grade. We won't put boys from the same town or school together in groups larger than four. If you are part of a hometown group larger than four, you should suggest how it might be split.
